Thanks to the Steve Ludzik Foundation; our artists have participated through the one of a kind, multidisciplinary Ludzik Parkinson's Rehab Centre located at Hotel Dieu Shaver where they have learned to live well with Parkinson's. Help us to continue making a difference in the lives of people living with Parkinson's.

And now under the guidance and instruction of Candace Couse they have painted

"A Masterpiece"

which they have generously donated to The Steve Ludzik Foundation, giving you the

unique opportunity to buy the art whilst supporting SLF.

We invite you to purchase tickets to the event, you will then be added to the guest list. Once your tickets are purchased you will be able to view the art in advance

Only 75 tickets will be sold

You can purchase tickets by request at <https://www.golfeaglevalley.com/masterpiece>

or call Andrea or Délia at Eagle Valley 905-374-2110

As a soiree is meant to be an elegant evening party for conversation

The dress is cocktail attire

dress or dressy separates for woman & business suits for men

we ask that you add a flare of red to your outfit, it is proven that red stimulates the dopamine in the brain to give pleasure

Being people living with PD are lacking dopamine, let's make a difference
